

## THE ART OF THE TOWEL ANIMAL: TURTLE

### WHAT YOU'LL NEED:

Two (2) wash cloths

Tissues

Rubber bands

Various decorations

### STEP 1

Take your first wash cloth, and with each of the two corners on one side of the cloth, form two turtle legs by securing with a rubber band to make a one-inch pocket. Do this on each corner.

### STEP 2

With the two corners finished, make a similar one-inch pocket in the center of the two legs in order to form the turtle's head.

**STEP 3**

Do the same on the other side of the wash cloth. With each of the two corners on one side of the cloth, form two turtle legs by securing with a rubber band to make a one inch pocket. With the two corners finished, make a similar one-inch pocket in the center of the two legs in order to form the turtle's tail.

**STEP 4**

Now take approximately 10 tissues.

**STEP 5**

Line the inside of the turtle with the tissues to stuff him.

**STEP 6**

With the second wash cloth, fold the one side inside itself diagonally.

**STEP 7**

And do the same with the other side of the wash cloth – folding inside itself diagonally.

**STEP 8**

Now secure each end of the folded wash cloth with a rubber band.

**STEP 9**

Fold the two secured ends inside itself to form a large pocket which will act as the underside of the turtle.

**STEP 10**

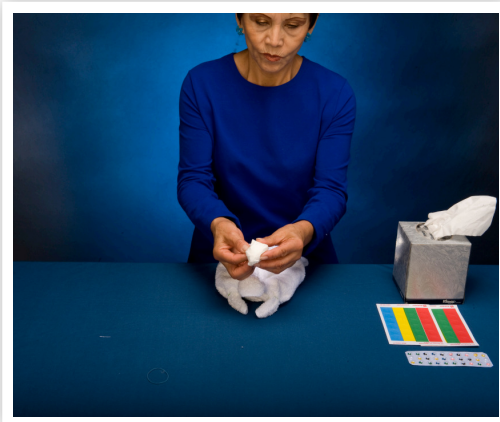

Turn the turtle “belly up” and place the second was cloth inside the turtle with the two pockets facing each other.

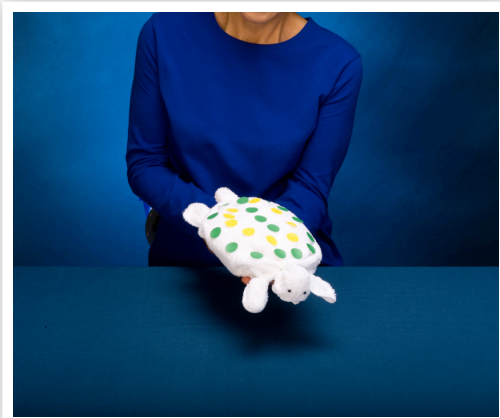

**STEP 11**

This will complete the turtle's body.

**STEP 12**

Ball up another tissue and insert it into the turtle's head pocket in order to stuff the turtle's head.

**STEP 13**

Decorate as you like and you have a turtle towelgami that's sure to make a big splash!
